AGENDA

1 – OLD BUSINESS -Accurately assessing actual condition of the Tiverton Stone Bridge abutment for structural integrity, or lack thereof, and possible use of the associated floating dinghy dock and structure presently attached to the abutment, for the 2010 season. We are beginning a comprehensive review of the structure. All input regarding the history, past, present and future funding availability, engineering opinions, and above all, the potential impact on the Tiverton waterfront community if the “Stone Bridge” should suffer severe damage in a storm or be allowed to further deteriorate.

2 – OTHER OLD BUSINESS

3 – NEW BUSINESS

All interested parties are invited to attend our meetings and to provide pertinent input.

If you would like to receive direct email notification of our future meetings or directly receive copies of the minutes of our meetings, please contact Harris Gruber, Secretary, at varnishman@cox.net or 843-906-6682.
